

SL1500 TAIL LIFT

Access XL (Ross and Bonnyman) Slimline Tail Lifts are suitable for a wide range of vehicles from small rental vehicles to large distribution fleets. Our Slimline Tail Lifts are available from stock in a wide range of standard sizes and can also be designed and built to suit individual customized requirements. All Slimline Tail Lifts have a floor level beam which provides easy access for maintenance and all lifts are fully weight tested before leaving our manufacturing facility.
